

OFFICE OF THE DEPUTY DIRECTOR

10 April 1984

NOTE FOR: ADDI

FROM: DDCI

SUBJECT: IG Report on OGI

Dick:

Thanks for the attached. Looks like OGI took a hard look at the concerns raised by the IG and is in the process of taking the right steps. I am content that the grain analysis program is on the right track and certainly remains a useful intelligence program for the policy community.

John N. McMahon
